

State Of The Industry

Monday, July 15th, 2019

déjà vu!

Future World

Monday, July 11th, 2016

Nashville, TN

Presentation Outcome

1. To be current on the “state of the industry”
2. Armed and ready to do battle
3. Deliver a “wake up” call to this group
4. Eliminate any sense of complacency
5. Tackle your dwindling influence at the state level
6. Time for action and leadership by you

Timing

- 50 minutes for the presentation
- 10 minutes for Q&A

Major Topics

1. Global Overview
2. Alcohol & Health
3. Regulatory Developments
4. Legal Developments
5. Counterfeiting & Secondary Market
6. Taxation
7. Consumer Trends
8. ON Premise
9. Consolidation
10. Technology

Global Overview

Positive

Negative

Global Spirits

Care To Guess How Many Sold Annually Around The World?

750ml Bottle Size

World Population

7,580,717,050

TOP 10 MOST POPULOUS COUNTRIES (July 1, 2019)

1. China	1,389,618,778	6. Brazil	210,301,591
2. India	1,311,559,204	7. Nigeria	208,679,114
3. United States	331,883,986	8. Bangladesh	161,062,905
4. Indonesia	264,935,824	9. Russia	141,944,641
5. Pakistan	210,797,836	10. Mexico	127,318,112

Annual Global Market

3 Billion Cases

36 Billion Bottles

Annual Global Market

900,000,000,000

900 Billion Drinks

122 Drinks Per Head

It Is A **BIG** Market!

You Might Logically Ask “Where”?

Industry Overview

- Global -

Positive

Negative

Global Alcohol

- Positive Headlines -

- Prohibition worked better than you think
- World's alcohol consumption expected to rise 17% in next decade
- Alcohol use soaring worldwide: The average adult now consumes about 1.7 gallons of pure alcohol per year
- Asia-Pacific spirits sector to grow by over USD \$100bn by 2022
- Baijiu tops most valuable spirits list
- IWSR Forecast: Global alcohol consumption to hit 28bn cases and \$1.07tn by 2022
- ASIA DOMINATES WORLD'S BEST-SELLING SPIRITS BRANDS
- Global alcohol consumption reverses decline in 2017
- Spirits overtake beer as 'most valuable' alcohol category: Nielsen
- Cocktails Rise and Shine While Beer and Wine Sales Slip

Global Alcohol

- Negative Headlines -

- A Ten-Year Plan To Reduce Global Alcohol Consumption Is Showing Results
- People are sick of drinking. Investors are betting on the 'sober curious'
- Why Alcohol Companies Are Betting on Non-Alcoholic 'Booze'
- Fewer Americans are drinking alcohol-so bars and brewers are adapting
- Worldwide Alcohol Consumption Declines -1.6%
- Trade hits out at 'questionable' Lancet alcohol research
- United Kingdom: What happens if we all stop drinking?
- US wine, beer, spirits consumption 'in a holding pattern' as public leans toward less alcohol
- Lancet study calls for global alcohol advertising ban
- Binge drinking expected to rise as alcohol use increases around the world, study says

Global Alcohol

- Summary & Implications -

- Lots of contradictions and media sensationalism!
- What is the truth?
- Somewhere in between
- Staple Industry
- People like to drink alcohol, will continue to do so
- Too much so!
- So the health debate rages on
- The “WHO” is not our friend
- I do not foresee alcohol disappearing any time soon
- Biggest threats? Cancer warning labels, plain packaging, MUP, deregulation, synthetic alcohol, prohibition revisited, Ireland, Scotland and Australia

Global Alcohol

- Summary & Implications -

Home / Health

OCTOBER 10, 2018

Ireland passes law putting cancer warnings on alcohol

News > Health

Alcohol sales in Scotland hit 25 year low after minimum unit pricing introduced

'Alcohol companies are profiting from people's harm and Westminster needs to put its foot on the accelerator to catch up with Scotland' charities say

Sip from a nip? Not in Chelsea

By Michael Levenson Globe Staff. November 29, 2018. 8:29 p.m.

Alcohol & Health

Positive

Negative

Health

- Positive Headlines -

- Uncovering 'questionable' alcohol studies
- The Lancet Won't Publish Data Challenging Its Puritanical Stance On Alcohol
- Study: Drinking alcohol and coffee can help you live past 90
- A glass of red wine a day really DOES keep the doctor away, study reveals after people who didn't touch a drop were 11 times more likely to end up in hospital
- Alcohol may be helpful for people at risk of heart disease but not cancer, study suggests
- Experts Throw Cold Water on Study That Recommended No Alcohol
- Study Causes Splash, but Here's Why You Should Stay Calm on Alcohol's Risks
- Neo-temperance movement accused of economic illiteracy over alarming study
- What you need to know about stories proclaiming 'no safe level of alcohol'
- Moderate, Consistent Drinking May Help Heart
- The temperance movement's latest study proves only one thing - it is economically illiterate
- PORTUGAL WANTS ALCOHOL WARNING LABELS TO 'SHOW THE BENEFITS TOO'
- Science Reporters Get it Wrong: Moderate Alcohol Consumption Isn't Dangerous

Health

- Negative Headlines -

- Should articles about alcohol come with a warning?
- U.S. death rates from suicides, alcohol and drug overdoses reach all-time high
- Don't believe the hype - experts say wellness beers, wine are BS
- Is Alcohol Really Good for Your Heart?
- Alcohol delivery services a factor in rising Australian suicide rate: health advocates
- Alcohol Brands Have Set Their Blurry Sights on the Slippery Concept of Wellness
- Alcoholism and women: A growing epidemic
- Alcohol addiction a constant struggle for millions of Americans
- The War On Alcohol: Is This Prohibition 2.0
- Why the Teetotalism trend is here to stay
- Alcohol abuse leads to 4,300 deaths annually among people under 21
- World Health Organization (WHO): 10 things governments could do to reduce the harmful use of alcohol

Health

- Summary & Implications -

- We are entering a neo prohibitionist era
- Will get worse in the media
- Marijuana not helping
- You had better be awake
- Preaching moderation
- Legislatively active
- Don't even think about deregulation – Mr. / Ms. Legislator

Regulatory

Regulation

Deregulation

Regulatory

- Positive Headlines -

- Recent Deaths in Dominican Republic Underscore the Need to Maintain a Strong, Closed Alcohol Regulation and Distribution System
- Public Support for State-based Alcohol Regulation is Very High
- State alcohol policies may affect aggression and driving-related harms from someone else's drinking
- Another Attempt to Let USPS Ship Alcohol
- Public Service Announcement: The TTB is stepping up enforcement
- TTB ISSUES ONE-DAY PERMIT SUSPENSION FOR RETRO CELLARS
- Australia: CONCERN OVER ALCOHOL DELIVERY SERVICES SELLING TO TEENS
- Alabama: State should control alcohol sales
- TTB Hands Down 6 More Permit Suspensions in CA
- Trade-Enforcement Agencies Are Ramping Up Their Wine-Sales Investigations

Regulatory

- Negative Headlines -

- Elimination of Certain Standards of Fill for Distilled Spirits; Amendment of Malt Beverage Net Contents Labeling Regulation
- Oklahoma: Duopoly or pro-business? Shots taken in liquor distribution fight
- Are Crazy State Liquor Laws Constitutional?
- Should Airlines Consider Banning Alcohol On Aircraft?
- Even Molson Coors is hatching a direct-to-consumer strategy
- Washington: Craft distillers say they can't survive without Olympia's help
- Anheuser-Busch chasing online beer sales as grocery e-commerce picks up steam
- Kentucky: Senate passes bill to allow wine shipments into the state
- North Carolina: Poll: Majority wants end to state's liquor monopoly
- TTB SEEKING PUBLIC INPUT ON PROPOSED UPDATE TO ALCOHOL REGULATIONS
- 85 Years After Prohibition Was Repealed, It's Still Dogging Millions Of Americans
- Plastic bans

Regulatory

- Summary & Implications -

- Wine & Spirit wholesaler influence in state legislatures has declined dramatically over the past 40 years
- Only ½ the states represented here
- Beer distributors remain strong and influential
- It is now a mission critical problem
- Recent examples being Kentucky and Oklahoma
- If you do not fix this issue your businesses will not survive another generation
- Plain and simple
- Wake up call

Legal

Active

Passive

Legal

- “Crooks” Headlines -

- British shoplifters make alcohol their main target
- FBI testing minibar samples at Dominican Republic resort
- Tax Scammers Get 40 Years In Jail For £34M Fraud
- Diageo wins \$135 million claim against Vijay Mallya in UK court

- Federal Legalization Of Marijuana May Be Around The Corner
- Police Field Tests Can't Distinguish Between Hemp And Marijuana
- Google bans marijuana delivery companies from selling weed directly through their apps
- Cannabix Technologies Makes Advances with Marijuana Breathalyzer Development and Renews Research with Yost Group

Legal

- “Litigation” Headlines -

- No Buying and Selling Alcohol on Facebook, Says Facebook for Umpteenth Time
- Indiana and Three Different Amici File in Support of Indiana Prohibited Interest Law Against Federal Preemption Claim
- Widow Of Tattoo Legend 'Sailor Jerry' Sues Rum Distillers
- Michigan: Can state regulators enforce liquor laws that federal courts have found unconstitutional?
- Texas House and Senate Approve Historic Legislation to Promote a Free Market for Liquor Store Ownership
- Colorado: Full-strength beer is good for grocery stores, but Denver liquor stores get stuck with the hangover
- The Americans With Disability Act Of 1990 Poses Legal Challenge For Winery Websites Today
- Bartender Arrested For Serving Alcohol To Gunman Who Later Killed 8 People
- "Supplier and Distributor Promotional ""Banks,"" Third Party Promotion Companies and Inconsistent TTB Enforcement, Oh My!"
- Is Your Wine Business Ready for the California Consumer Privacy Act?
- Kona Beer Has \$4.7M Deal On Tap To Settle False Ad Suit

Legal

- Summary & Implications -

- Be reminded that our industry is a magnet for criminals!
- Do you know why?
- Shaping marijuana's legal integration or prevention of same into society is important!
- It will impact the ten year to final interaction between the two products
- By nature this is a litigious industry, use it for your own self interest, why not?
- BUT, one way or another you had better be active in this area

Counterfeiting

Active

Passive

Counterfeiting

- Headlines -

- Family attorney: Mexican resort served 'tainted' alcohol to 20-year-old American tourist before she drowned
- Authorities eyeing bootleg liquor as potential cause of DR tourist deaths
- Watchdog warns of an epidemic of counterfeit products sold online
- Half of Russia's Alcohol Sold Illegally, Regulators Say
- Illegal bottling operation found in Ireland
- Deadly brew: At least 76 people die in India after drinking bootleg liquor
- Your Expensive Italian Wine Might Be Fake, Authorities Warn
- More than 50 companies tied to Italian wine exports are under investigation for fraudulent practices
- How Do You Prevent Wine Fraud? With Blockchain-Enabled Labels
- No One Is Safe From Counterfeit Wine
- CHINA BUSTS US\$14.4 MILLION WORTH OF FAKE WINES
- India: Cops keep close watch on booze trade as illicit liquor floods Delhi
- METHANOL-LACED RICE WINE KILLS 3 AND HOSPITALISES 44 IN CAMBODIA
- Counterfeit alcohol, sometimes containing jet fuel or embalming fluid, is a growing concern for tourists abroad

Counterfeiting

- Summary & Implications -

- New problem to America
- Only going to get worse as deregulation pressure increases
- Could screw consumer trust and consequently consumption
- It IS one of your best arguments for self preservation, anti deregulation, pro three tier
- You are INSANE if you do not use it!

Taxation

Increase

Decrease

Taxation

- Positive Headlines -

- An Extra Year of Tax Relief is in Sight (CBMRA)
- Baltic Nations Race to Cut Alcohol Taxes
- Kenya: High taxation 'driving illegal alcohol trade'
- Distilled Spirits Council Criticizes Treasury For Failure to Allow Excise Duty-Drawback in Rule
- Raising taxes on alcohol is a terrible idea
- Beer, wine, and spirits industries toast passage of GOP tax bill

Taxation

- Negative Headlines -

- Illinois: Pritzker proposes tax hikes on beer, wine, liquor to help pay for new infrastructure plan
- The case for raising the alcohol tax
- Oregon: Proposed Liquor Tax Tucked Away In Gov. Kate Brown's Budget
- "Brewers of Europe slams ""discriminatory"" EU beer tax plans"
- Sin Taxes Are Being Rebranded as 'Health Taxes'
- Bottle Shock: Treasury Challenges Tax Break for Wine Importers
- Diageo Takes \$250 Million Hit to Settle U.K. 'Google Tax' Probe
- Beer taxes 'out of control:' Beer Canada
- United Kingdom: GROG ON THE TYNE Geordies could be slapped with 50p 'booze tax' to curb alcohol-related issues from revelers
- Australia: The end of cheap beer: radical alcohol tax plan put to government
- Canada: Think liquor taxes are too high? They'll get higher next year. and every year after

Taxation

- Summary & Implications -

- I appreciate that you might be more in favor of state tax increases on alcohol than is at first apparent
- Being self interested in this area is very short sighted
- It will impact consumption
- As prices rise consumers will seek alternative options
- Like buying direct from the distiller
- Cutting out the “middleman”
- Be very careful how you behave in the tax arena
- Biggest threat? Index linked alcohol taxation

Consumer Trends

Interest

Disinterest

Consumer Trends

- Headlines -

- What's Ailing Beer?
- "Wine Consumption Probably Won't Return to "Normal"
- Oregon's craft brewers have a problem: 'There's just too much beer out there'

- A Report Shows State-By-State U.S. Consumer Interest In Alcohol E-Commerce
- America's baby bust: Births slide to 32-year low despite economic gains
- A 'complex' consumer base challenges US alcohol

Consumer Trends

- Summary & Implications -

- The consumer is definitely more dynamic, shifting about more frequently
- The media is NOT helpful with the consumer, creating a lot of fake news stories, jumping on bandwagons as they try to make headlines
- Distillers like ourselves will continue to work hard to attract / maintain consumer interest
- As distributors, you are well positioned to take advantage of trends, you just have to stay on top of them

ON Premise

Increase

Decrease

ON Premise

- Positive Headlines -

- Restaurant industry added nearly 14k locations in 2018

Great franchisees. Great brands.

Consolidation

- Summary & Implications -

- Set to continue for a very long period of time
- The cost takeout / synergies are just too compelling
- For every action there is a reaction
- What does that reaction look like?
- Tear down the regulatory environment in the naïve belief that it will fix things
- Implications for your margins?
- Your viability / sustainability?
- Regulatory interference?

Technology

- Summary & Implications -

- Like consolidation, set to continue for a very long period of time
- Technology is a very exciting opportunity for our industry
- Expect technology to change our industry in unexpected ways
- Keeping our industry relevant as technology permits change will be challenging
- Keeping yourselves relevant will be challenging
- Better off to adopt, embrace technology than be mown down by it

Sazerac On One Slide

Sazerac On One Slide

1. Roots traced back now to 1317
2. Early version of a French industrial conglomerate, cannons, pottery, paper and cognac
3. Prospered in the 1600, 1700s and 1800s
4. Morphed in the 1900s into a bar, an American company and eventually a American distiller
5. #3 in the world now, global company, larger than Seagram at its peak, figuring out how to become #1
6. The only American flag in the top five
7. Organic brand growth, New Business Development and Acquisitions, 7 / 50 / 50
8. No plans to slow up whatsoever, pedal down!
9. Family owned, private, planning on remaining so
10. The only large scale supplier that is committed to the three tier system, period

Summary

Major Topics

1. Global Overview
2. Alcohol & Health
3. Regulatory Developments
4. Legal Developments
5. Counterfeiting & Secondary Market
6. Taxation
7. Consumer Trends
8. ON Premise
9. Consolidation
10. Technology

Summary

1. You are in a great, industry, staple and steady but....
2. You are not selling marshmallows
3. Contentious industry and you had better be prepared to get engaged in the major topic areas
4. Not a day goes by without something important happening
5. There is no “free lunch”

Call To Action

1. You are in a very profitable, wealth creating industry
2. Complacency is your #1 threat
3. Build / Rebuild your political influence at the state level
4. Don't make your job my job, happy to help out BUT

Presentation Outcome

1. To be current on the “state of the industry”
2. Armed and ready to do battle
3. Deliver a “wake up” call to this group
4. Eliminate any sense of complacency
5. Tackle your dwindling influence at the state level
6. Time for action and leadership by you

Q&A

Thank You!
